

## **The Fairlawns Restaurant - description**

The Fairlawns Restaurant is an award winning dining establishment located in Aldridge. Both the service and kitchen teams have received accolades for their work, including two rosettes from the AA.

The restaurant provides a relaxing and comfortable place to enjoy an afternoon or evening meal. The main menu represents a mainly British selection of cuisine, but with the influence of round-the-world flavours, changing with time of year and offering seasonal produce.

Alternatively, diners can make their choice from the classic British menu, with its selection of luxury ingredients, local steaks, seasonal game and fish. Example meals include roast chunky cod with salsify purée and grilled fillet of salmon with a shellfish bisque.

Afternoon tea is also available between 12noon and 4pm. This light menu includes a varied sandwich selection, cakes and scones - including Fairlawns' famous chocolate brownies - and tea, coffee and fruit infusions. For that extra special occasion, choose a glass of bubbly or a cocktail to top off the event.

In addition to the Fairlawns Restaurant, there is the opportunity to indulge in private dining. The establishment has five private rooms catering to parties of eight guests or more.

Diners with special dietary requirements are well-catered for at Fairlawns. There is a seasonally changing vegetarian menu, in addition to separate gluten free options based on the market menu. When it comes to drink, rest assured this is an establishment that loves wine. There is a wide selection on offer, ranging from major award-winners to vintage tipples.

So visit the Fairlawns Restaurant for a taste of modern British cuisine, served up in comfortable surroundings.
